PARKDALE 

SHORT-HORNS

PROPERTY OF
C. D. BELLOWS,
TO BE SOLD AT
SOUTH OMAHA, NEB.,
DEC. 18, 1901.

. . . ANNOUNCEMENT . . .

I N ISSUING this catalogue for my second annual public sale of registered Short-Horns, from my Parkdale herd, to be held at South Omaha, Neb., on Wednesday, Dec. 18, I have taken special care to list only such animals as I can conscientiously recommend as being breeding cattle, in breeding condition, and stand behind such recommendation with a guarantee to the buyer, that they are breeders. Briefly, I have endeavored to again give my customers a well bred, good individual class of cattle that can be depended upon. I point with pride to the general satisfaction expressed at the character of my last year's offering by all in attendance at that sale, and the further fact that those who bought, have, almost without an exception, reported being highly pleased with their purchases. So far as learned every cow brought a calf exactly on time to the service given in the breeding list, and everything has proven exactly as represented. To establish and maintain a reputation of this kind is and has been the height of my ambition.

THE BULL Is a very strong one, both in number and quality. There are twenty-five of them and they have been pronounced by competent judges to be the best lot of that number ever offered from one herd at any sale in recent years. They are pure Scotch and Scotch topped, and quite a number are fit to head pure bred herds. Among them are several special attractions, and I feel satisfied that any one wishing to buy a good bull will do well to attend this sale. By next spring such bulls will be scarce and much higher.

THE FEMALES Regarding the thirty cows and heifers herein catalogued, I wish to call attention to the unusually large number which have big, fine calves at foot, sired by high class bulls. Many of these same cows are safe in calf again to the grand young herd bull, The Lad for Us, a prize-winning son of J. G. Robbins & Sons' well-known champion show and breeding bull, The Lad for Me, a son of the champion St. Valentine. There are ten prime good heifers, all reds, mostly sired by the Scotch bred, Princess Royal bull, Royal Prince 4th which have also been bred to The Lad for Us.

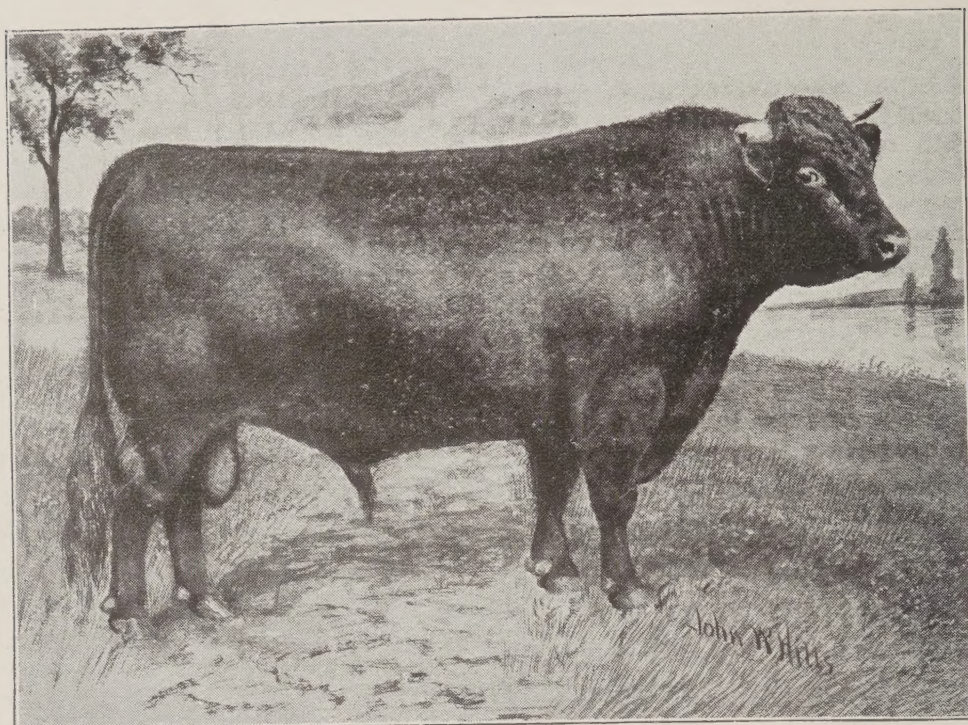

ILLUSTRATION. The illustrations appearing in this catalogue were made from photographs from life by the well known live stock artists, Lou. Burk & Son. Cuts will go to the buyer of animal without extra charge.

CERTIFIED A certified pedigree from the American Short-Horn Breeders' Association, bearing the signature of the secretary and the seal of the association, will be furnished with each animal sold. **TERMS:** Cash, or six to twelve months time, at 8 per cent. interest. Parties desiring time should bring bank references and make satisfactory arrangements with the clerk before the sale opens. All stock will be loaded on cars free of charge, but will be at owners' risk as soon as bid off. The Paxton Hotel, Omaha, has granted reduced rates for those attending the sale. **THE SALE** will be held in the new stock yards sale pavillion, and will commence promptly at 1:00 p. m.

AUCTIONEER—Col. F. M. Woods, assisted by Cols. Carey M. Jones, T. C. Callahan and C. H. Marion. W. C. Pierce, Clerk. Parties unable to attend the sale can send bids with instructions to either of the above named auctioneers, addressing them in care of Clay Robinson & Co., Commission Merchants, South Omaha, Neb.

C. D. BELLWS, Maryville, Mo.

N. B.—Attention is called to the Short-Horn sale of C. A. Sanders, at Manilla, Iowa, Thursday, Dec. 19.

THE LAD FOR US is chief stock bull at Parkdale, and in him we feel that we have a prize. He has only been shown once, when he was awarded first prize in the State show at the Indiana State fair in 1900. He is as smooth as his sire with plenty of scale, and the calves now coming by him show him to be a valuable sire. Most of the cows in the sale are bred to him.

THE LAD FOR ME, one of the best sons of St. Valentine, out of Gay Lavender by Eminent Commander tracing to Imp. Lavender 41st by Dunblane. He is many times a prize winner—having won the following prizes in the past two years: In 1900, first at Lexington, Des Moines, Hamlin, Indianapolis, Springfield, St. Louis, Kansas City and Chicago. Senior championship at all the above except St. Louis and Kansas City. 1901, first at Lexington, Des Moines, Hamlin, Indianapolis, Louisville and St. Louis. Senior championship at Lexington and Indianapolis and Grand championship for best beef bull any age or breed at Indianapolis, and second at Sedalia; third at Springfield and fourth at Kansas City.

CHIEF JUSTICE got by Imp. Spartan Hero 77932 out of Roxana 8th by Airdrie 7th tracing to Imp. Harriett by Young Waterloo.

GOLDEN RULE used extensively by C. B. Dustin & Son of Summer Hill, Ill., was sired by the Cruickshank bull Goldstick 86748 out of Imp. Golden Feather. Golden Rule was a bull of superior flesh and finish, carrying a wide round carcass evenly filled with good mellow flesh, standing upon the shortest of legs. He was sold to Mr. H. F. Brown of Minneapolis and was a part of the Browndale exhibit at the Columbian Exposition.

—Cow bred by Rev. Mr. Hunter.

Red c. c. April 28, 1901, by Royal Prince 4th 133019.

IMP. BRACELET.—Bred by Col. Charles Townley, Townley Park, England; imported in 1853 by the Northern Kentucky Company. This is a capital line of blood from which many choice cattle have descended. The well known Sire Burnside 4618, which was used by Henry Clay; and who got many valuable animals [some of them in the herd of A. Renick] in Kentucky, was the full brother of Bracelet 5th. The family is known for its great individuality.

CHIEF VIOLET 4TH.—“Cruickshank’s Violet tribe” was by Scottish Chief 89317, dam Rosedale Violet 2nd Vol. 34, by Imp. Chief Justice 73256 grand dam Imp. Marsh Violet, bred by A. Cruickshank of Sittyton, Aberdeenshire, Scotland. Was imported by J. I. Davidson of Balsam, Ontario, Canada, who was the most discriminating importer on the American continent. The fact that Mr. Cruickshank owned and bred this family for a period of fifty years, we think, is abundant evidence that he held this family in very high esteem.

CRYSTAL WATERLOO.—“Bates’ celebrated Waterloo tribe” was by Winsome Duke 3rd 72209, out of Imp. Waterloo Duchess 4th Vol. 26, P. 1218, by Rowfant Duke of Oxford (43926), Imp. Waterloo Duchess 4th bred by Rev. J. J. D. Jefferson, Thicket Priory, York, England; and was imported in 1880 by the late Col. H. M. Vaile of Independence, Mo. During the late great depression in Shorthorn values, Col. Vaile sold several of this family, both males and females at from \$500 to \$1000 each. Crystal Waterloo was purchased from Col. Vaile in 1890 and used on the Crystal Spring Herd for several years.

KIRKLEVINGTON LAD 44090.—“Bates’ celebrated Acomb tribe” was by 2nd Duke of Rowley (28441); dam Imp. Duchess 7th by Duke of Clarence 5th (36479); grand dam Duchess by 2nd Duke of Wetherby (21618); great grand dam Annette 3rd by Lord Oxford 2nd (20215).

CLIMAX AIRDRIE 28863. Renick’s Rose of Sharon tribe [and a most excellent sire] was by Airdrie 3rd 13320, out of Rose 2nd by Climax 5453; grand dam Mayflower of Stony Point by Airdrie [30335]; grand dam Mayflower 1st by General Winfield Scott [12936], &c.

VELOCIPEDE 9250.—Maynard’s Rosabella tribe, was by 2nd Duke of Geneva [23752] out of Varina by Young Duke [30903]; Crook Tail by Yorkshire Maynard [14043]; great grand dam Snowdrop by Young Comet [2420].

IMP. TUBEROZE 2D, bred by J. Stephenson in England, imported by Ambrose Stephenson of New York. She came from the oldest line of blood recorded in the Herd Book, and the off-spring from her have proved most excellent cattle. The above is one of the very best Princess pedigrees to be had at this time. The noted bull, Belvedere (1706), sire of Mr. Bates' Duke of Northumberland, was of this Princess blood. Four cows of this family sold at Chicago, a few years back, at public sale, for an average of over \$3,000 each.

ROYAL PRINCE 4TH, a pure Cruickshank, got by Victor Missy 2d 121471, sire of the first prize herd of the Iowa State fair in 1899, also won first on get of sire at same fair. The dam of Royal Prince 4th was by Imp. Spartan Hero 77932, second dam by Imp. Royal Duke of Pleasant Ridge 36889; 3d dam Imp. Oct. 12, 1901, red c. c. by The Lad for Us 152983.

This branch of the Young Mary family is highly prized in the Parkdale herd. They are heavy milkers and regular breeders. Rose of Parkdale has her 2nd calf and is but little past three years old.

IMP. YOUNG MARY—bred by Mr. Clark in England, imported by the Ohio Company in 1834, and sold at their sale for \$1500. As a family it is the leading one in show yard honors in America. There is no cow that has left a more valuable lot of descendants, and as prize winners stands second to none, and there is no exception.

YOUNG EMPEROR, a Cruickshank bull of wonderful finish and scale, weighing in fair flesh, 2500 pounds. Got by the Secret bull, Imp. Scotchman (105418), out of Red Empress, by Imp. Red Emperor (51958), Cora 2d by Baron Napier 49913, Caroline by Royal Barmpton (32296), to Imp. Columbia by Lord Lancaster (26666). From Caroline sprang one of the best families of Cruickshank cattle in America.

IMP. RED EMPEROR—won the first prize in 1885 as a yearling at the Grand Dominion and Provincial Exhibition at London, was first at the Great Central at Hamilton, and first as well as grand sweepstakes as best bull of any age at Whitby, Canada. In 1886, as a two-year-old, was winner of the following prizes: At Maryville, Mo., first in class and first in grand sweepstakes; at St. Joseph, Mo., first in class; at Omaha, Nebraska, first in class; first in sweepstakes for Short-Horns, and first in grand sweepstakes all breeds competing; at Lincoln, Nebraska State Fair, first in class, first in sweepstakes for Short-Horns and first in grand sweepstakes; at Shenandoah, Iowa, first in class and first in grand sweepstakes; at St. Louis, Mo., first in class and first in sweepstakes, thereby stamping himself as one, if not the greatest, prize winner in this country. He was of Cruickshank's Goldie tribe—was by Perfection (37185), out of Harmony by Pride of the Isles (35072); g. d. Hawthorn by Royal Duke of Gloster (29864); gr. g. d. Goldie 4th by Young Pacha (20457), etc.

RED MINNIE is a very large useful cow and a regular breeder having raised a good calf every year since she was two years old, three of which sold for \$630. She is the dam of Roan Champion now heading the herd of Neal M. Gallagher, Highland Sta., Kans; also Champion of Parkdale the highest priced bull calf in our first annual sale and in Champion of Parkdale 2nd has a representative in this sale. She is now safe in calf by The Lad for Us and should find a home in some good short-horn herd.

IMP. YOUNG PHYLLIS—(Vol. 3 p. 561, E. H. B.)—by Fairfax (1023), a roan of September 11, 1831, bred by the Earl of Carlisle, Castle Howard, Yorkshire, England, was imported in 1834, with the Ohio Company's cattle, for Edwin J. Harness of Ross county, Ohio. From him she passed into the hands of Isaac Vanmeter and Isaac Cunningham of Clark county, Kentucky, in whose families they were successfully bred for many years, and, from thence, the blood has been distributed till scarcely a herd of well bred Short-Horns exists in the country that has not the blood of Young Phyllis. This family, known in England as the Delicacy tribe, traces through 100 years to the earliest records, and, in this country, has been noted for great individual excellence, as well as for careful breeding, many fine show animals having been bred therefrom, such as Pickrell's Baron Lewis, Vanmeter's Clarendon, Dick Taylor, Airdrie Duke, etc.

VALLEY CHAMPION, a pure Cruickshank bull, bred and used by F. Bellows & Sons. As a calf he was the champion winner over all beef breeds at the Iowa State Fair. He was a bull of substance and wonderful fleshing qualities, and as a uniform breeder of high class stock had few equals. That his blood is breeding on is evidenced by the high character and quality of his descendants, even to the third generation. He was got by the Cruickshank bull, Canada's Pride 2d, by Imp. Aberdeen Champion, by Barmpton, out of the historic producing cow, Caroline, by Royal Barmpton.

KING ABERDEEN 98890, a Cruickshank bull, got by Imp. Lord Glamis 64917, by Barmpton, out of Flora Aberdeen, by Imp. Aberdeen Champion 61425, tracing to Imp. Flora 17th, by Perfection.

SIR RAPHAEL 2ND got by Imp. Raphael bred by W. S. Marr out of Mary Glamis by Imp. Lord Glamis, one of the best sons of Barmpton, and tracing to Imp. Young Mary by Jupiter.

DUKE OF NORTHROAD's dam, Fannie Bly 3d, was by Imp. Prince of Orange 77016, a pure Cruickshank, got by Cumberland (46144) out of Orange Blossom 21st by Caesar Augustus (25704). Cumberland was unquestionably one of the best bulls and best getters ever used in Mr. Cruickshank's herd; he was remarkable as a calf for quality, substance and fine hair, and throughout continued so, a grandly-fleshed, short-legged bull. Cumberland was from a fine milking tribe, and his produce partake of the character of their sire, and are undoubtedly the right sort for a breeder. The breeding of Cumberland is of the best; his sire, Pride of the Isles (35072), was not only a successful show bull, but one of the best sires of his time, and was out of the fine cow Golden Days by the thrice famous Lord Raglan (13244), sire of the prize bull Scotland's Pride (25100). Cumberland's dam, Custard, of Mr. Cruickshank's Cressida tribe, by Royal Duke of Gloster 298; grandam by Princess Royal by Champion of England (17526), the standard Short-Horn by which all other Short-Horns are measured, Princess Royal his most noted daughter.

LORD MATCHLESS 2D was a bull of great scale, weighing 2500 pounds in good breeding condition. He was of the Matchless family, regarded by breeders as one of the best of the Cruickshank tribes. He was got by the Cruickshank bull Imp. Orlando (6593) that sold for \$800, out of Matchless 23d by Imp. Amhurst (49768) (individually of typical Scotch compactness and shortness of leg and in point of valuable blood combinations the peer of any of the other Sittyton bulls ever imported to America); grandam Matchless 22d by Prince Arthur 46779 (Cruickshank bred); Matchless 21st by Imp. Statesman 15539 (bred by S. Campbell); Matchless 20th by Imp. Wellington 18534; Imp. Matchless 15th by Champion of England (17526); Matchless 12th by Lord Raglan (13244), etc.

IMP. YOUNG PHYLLIS—(Vol. 3 p. 561, E. H. B.)—by Fairfax (1023), a roan of September 11, 1831, bred by the Earl of Carlisle, Castle Howard, Yorkshire, England, was imported in 1834, with the Ohio Company's cattle, for Edwin J. Harness of Ross county, Ohio. From him she passed into the hands of Isaac Vanmeter and Isaac Cunningham of Clark county, Kentucky, in whose families they were successfully bred for many years, and, from thence, the blood has been distributed till scarcely a herd of well bred Short-Horns exists in the country that has not the blood of Young Phyllis. This family, known in England as the Delicacy tribe, traces through 100 years to the earliest records, and, in this country, has been noted for great individual excellence, as well as for careful breeding, many fine show animals having been bred therefrom, such as Pickrell's Baron Lewis, Vanmeter's Clarendon, Dick Taylor, Airdrie Duke, etc.

COLUMBIAN LORD.—Pure Cruickshank of the Jesse tribe, was by Imp. Sovereign Lord 153700, out of Clara Miller, by Imp. Red Emperor 51958; Clara Glamis, by Imp. Lord Glamis 48192; Clarence, by Imp. Baron Surmise 45933, and so on to Imp. Columbia by Lord Lancaster, own son of the celebrated Champion of England (17556).

VALLEY CHAMPION, a pure Cruickshank bull, bred and used by F. Bellows & Sons. As a calf he was the champion winner over all beef breeds at the Iowa State Fair. He was a bull of substance and wonderful fleshing qualities, and as a uniform breeder of high class stock had few equals. That his blood is breeding on is evidenced by the high character and quality of his descendants, even to the third generation. He was got by the Cruickshank bull, Canada's Pride 2d, by Imp. Aberdeen Champion, by Barmpton, out of the historic producing cow, Caroline, by Royal Barmpton.

RED ROVER.—By Waterloo Duke 4th 45161, out of 3d Lady Mason of Hilldale, by Royal Prince of Oxford 24736; grand dam Lady Belle, by Duke of Hilldale 13984; great grand dam Lady Paris, by Sockburn Duke 9128.

Duthie, Scotland, sired by Prince of Orange 77016, dam Lady Majory 2d by Cayhurst (58571), Annie Challenger 4th by 3d Thorndale Duke 28011, tracing to Imp. Young Mary by Jupiter (2170).

IMP. ORANGE BLOSSOM 19TH.—Was bred by A. Cruickshank, Aberdeenshire, Scotland, imported in 1874 by James I. Davidson, Canada. This tribe, which descends from the roan cow Fancy by Billy (3151), obtained in 1847 from Hutcheson of Monyrup. Fancy did so well at Sittyton that her daughter, Edith Fairfax was also bought from Hutcheson in 1851; from her some splendid Shorthorns were bred at Sittyton, among others, Queen of Scotland by Matadore, whose daughter, Queen of the South, was one of the greatest cows of her day, in Scotland. From this sort, also, sprang one of the greatest of all the latter-day Scottish sires, William of Orange, celebrated in the herd of Mr. Marr of Uppermill.

9TH ORANGE DUKE 63765.—Red and white, 1883, bred by E. T. IMP. PRINCESS.—Bred by Sir H. M. Tempest, in England. Imported by Samuel M. Hopkins, Moscow, N. Y. The Princess is one of the oldest families of Shorthorns, and also one of the most distinguished in Shorthorn history. The Princess tribe is derived from a cow bred by Mr. Stephenson, of Ketton, in 1739. From this cow descended the famous Foljamb (263), and also Belvedere (1706); the sire of Imp. Rose of Sharon, which was crossed upon the Duchess family, that was formed by Mr. Bates, and by the blending of Mr. C. Colling's Duchess and Mr. R. Colling's Red Rose lines that gave existence to the Duchesses as bred at Kirklevington down to the time of Mr. Bates' death, and it was the double cross of Belvedere (1706), that produced Duke of Northumberland (1940), said by different judges to be the best bull that ever lived.

YOUNG EMPEROR.—A Cruickshank bull of wonderful finish and scale, weighing in flesh 2500 lbs. Got by the Secret bull Imp. Scotchman (105418) out of Red Empress by Imp. Red Emperor (51958); Cora 2d by Baron Napier 49913; Caroline by Royal Barmpton (32296) to Imp. Columbia by Lord Lancaster (26666). From Caroline sprang one of the best families of Cruickshank cattle in America.

IMP. CHIEF STEWARD.—The sire of the mother of the above heifer was bred by Amos Cruickshank, and was a remarkably compact, thick and wide-out fellow, with the proven power to give his likeness to his offspring. He was sired by the famous Cumberland (46144), out of Coltsfoot by Dunblane (47792), and a fine old Scottish family. Cumberland was sired by the Royal Northern, first prize bull, Pride of the Isles (35072), and Dunblane was by the great bull, Roan Gauntlet, (35284).

RED CUP.—Was a grand bull, both in individuality and breeding. He was sired by the great champion Imp. Cup Bearer (91223), bred by Wm. Dnithie, Collynie, Scotland. Cup Bearer has more championships to his credit taken in the strongest competition, in Great Britain, Canada and United States, than any bull ever imported. Red Cup's dam, Imp. Fox Glove, was bred by Amos Cruickshank, Aberdeenshire, Scotland. She is one of the best ever imported.

We consider Parkdale Champion one of the best bulls we ever bred. He was exhibited at the American Royal show at Kansas City this fall, winning 6th prize in a strong class of 20 calves. He should go to head some good herd.

ROYAL PRINCE 4TH.—A pure Cruickshank, got by Victor Missy 2d 121471, sire of the first prize herd of the Iowa State fair in 1899, also won first on get of sire at same fair. The dam of Royal Prince 4th was by Imp. Spartan Hero 77932, second dam by Imp. Royal Duke of Pleasant Ridge 36889, 3d dam by Imp. Princess Royal 6th of the same family which produced the famous show cow, Princess Alice.

IMP. SOVEREIGN LORD.—A pure Cruickshank—was by Cumberland (46144) out of Sycamore by Count Robert (45249); Surmise by Champion of England (17526); Superb by The Czar (20947), Splendor by Lord Sackville (13249),

IMP. YOUNG PHYLLIS.—[Vol. 3, p. 561, E. H. B.]—By Fairfax (1023) a roan of September 11, 1831, bred by the Earl of Carlisle, Castle Howard, Yorkshire, England, was imported in 1834, with the Ohio Company's cattle, for Edwin J. Harness, of Ross county, Ohio. From him she passed into the hands of Isaac Vannmeter and Isaac Cunningham of Clark county, Kentucky, in whose families they were successfully bred for many years, and, from thence, the blood has been distributed till scarcely a herd of well bred Short-Horns exists in the country that has not the blood of Young Phyllis. This family, known in England as the Delicacy tribe, traces through 100 years to the earliest records, and, in this country, has been noted for great individual excellence, as well as for careful breeding, many fine show animals having been bred therefrom, such as Pickrell's Baron Lewis, Vannmeter's Clarendon, Dick Taylor, Airdrie Duke, etc.

IMP. ORANGE BLOSSOM 19TH.—bred by A. Cruickshank, Aberdeenshire, Scotland, imported in 1874 by James I. Davidson, of Canada. This tribe, which descends from the roan cow Fancy, by Billy (3151), obtained in 1847 from Hutcheson of Monyrury. Fancy did so well at Sittyton that her daughter, Edith Fairfax was also bought from Hutcheson in 1851. From her some splendid Short-Horns were bred at Sittyton, among others, Queen of Scotland by Matadore, whose daughter, Queen of the South, was one of the greatest cows of her day, in Scotland. From this sort, also, sprang one of the greatest of all the latter-day Scottish sires, William of Orange, celebrated in the herd of Mr. Marr, of Uppermill.

ROYAL PRINCE 4TH 133019.—Red, 1897, bred by S. H. Examine the breeding of Count Hampton. With such a foundation as Imp. Josephine by Norfolk and sired by the famous Merry Hampton, he can not fail to be a valuable sire.

The Josephines, descending from the cow Josephine 23d, purchased by C. B. Dustin & Son from Messrs Pickrell, Thomas and Smith, are as well bred as any in the herd book. It is generally understood that the imported cow from which the family derives its name—Josephine—by the celebrated Norfolk, was one of the very best Short-Horns ever imported, and the cross of such Scottish bulls as Imp. Merry Hampton and Golden Rule upon the Bates and Renick bred cows first above named, have produced some of the very best stock.

IMP. MERRY HAMPTON.—Chief stock sire in the Dustin herd has been pronounced by many competent critics to be the best bull of the present day in the United States. He weighs about 2,600 pounds and presents a magnificent combination of substance, flesh and finish. He was a Highland Society winner as a yearling, being bought for the Dustin herd at that show in 1898 at a long price. He was sired by the Uppermill Princess Royal bull Princess Frolic 132571 out of Mademoiselle 6th by Field Marshal 64894. Prince Frolic was by William of Orange 95736 out of Princess Royal 29th by Athabasca 90276.

GOLDEN RULE.—was sired by Robert Miller's fine imported Cruickshank bull Goldstick 86748 out of Imp. Golden Feather a first-class Sittyton-bred cow. Golden Rule was a bull of superior flesh and finish, carrying a wide, round Carcass evenly filled with good mellow flesh, standing upon the shortest of legs. He was sold to Mr. H. F. Brown of Minneapolis, and was a part of the Browndale exhibit at the Columbian Exposition and other leading Western cattle shows in 1893.

GOLDEN CHIEF was bought from the late Robert Miller of West Liberty Iowa, for use at Hill Farm, and left a most valuable progeny. His get partook largely of his own fine feeding quality, possessing as a rule wide ribs, splendid constitution, and an aptitude to fatten readily at an early age. He was a remarkably short-legged, heavy-fleshed red of extraordinary substance, carrying a great wealth of natural flesh, and in disposition so tractable that a child might handle him.

MERRY CHRISTMAS is a remarkably short-legged, heavy fleshed red, with straight top and bottom lines and unusual substance and scale. He bids fair to be as large as his famous sire, and carries a wealth of natural flesh that cannot fail to please the most exacting.

IMP. ROSE OF SHARON, bred by Thos. Bates and brought to America by the Ohio Company in 1834. Abram Renick of Kentucky, purchased Thames with Red Rose at her side. She afterwards produced Dorothy, and from these heifers the famous herd, so well known throughout the cattle countries of the world descended. On account of their great excellence and high breeding the demand was not confined to the States and Canada, but England made several large drafts for exportation from the Renick herd. Many of the grandest show and breeding bulls that were ever in this country were bred by Mr. Renick from this herd.

IMP. MERRY HAMPTON, chief stock sire in the Dustin herd, has been pronounced by many competent critics to be the best bull of the present day in the United States. He weighs about 2600 pounds and presents a magnificent combination of substance, flesh and finish. He was a Highland Society winner as a yearling, being bought for the Dustin herd at that show in 1898 at a long price. Col. W. A. Harris has said of the Seraphinas: "There is no better bred cattle recorded in the herd books, and they are a favorite family in the Parkdale herd. Royal Booth is an excellent representative of the family."

IMP. SERAPHINA CARISSIMA 3D.—Bred by Lord Sudley, Gloucestershire, England. Imported by the North Elkhorn Company and sold at their sale near Lexington, Kentucky, in 1875, for \$2,800. She descended from one of the most royal bred families in existence, and one, too, that has been famous in English show yards for the past half century. Her dam was own full sister to Imp. Cherub, Sold for \$6,000, and her sire was also out of Seraphina 13th, winner at the Highland Society's show at Sterling, in 1864.

IMP. YOUNG PHYLLIS.—[Vol. 3, p. 561, E. H. B.]—By Fairfax (1023) a roan of September 11, 1831, bred by the Earl of Carlisle, Castle Howard, Yorkshire, England, was imported in 1834, with the Ohio Company's cattle, for Edwin J. Harness, of Ross county, Ohio. From him she passed into the hands of Isaac Vanmeter and Isaac Cunningham of Clark county, Kentucky, in whose families they were successfully bred for many years, and, from thence, the blood has been distributed till scarcely a herd of well bred Short-Horns exists in the country that has not the blood of Young Phyllis. This family, known in England as the Delicacy tribe, traces through 100 years to the earliest records, and, in this country, has been noted for great individual excellence, as well as for careful breeding, many fine show animals having been bred therefrom, such as Pickrell's Baron Lewis, Vanmeter's Clarendon, Dick Taylor, Airdrie Duke, etc.

ROYAL PRINCE 4th 133019.—Red, 1897, bred by S. H. Thompson & Sons, Iowa City, Iowa, a pure Cruickshank sired by Victor Mysie 2d 121471. (sire of the first prize herd of the Iowa State fair in 1899, also won first prize on get of sire at the same fair), out of 3d Prince Royal of Cherry Grove by Imp. Spartan Hero 77933, tracing to Imp. Prince Royal 6th by Border Chief (37874).

COLUMBIAN LORD, pure Cruickshank of the Jesse tribe, was by Imp. Sovereign Lord 153700, out of Clara Miller, by Imp. Red Emperor 51958; Clara Glamis by Imp. Lord Glamis 48192; Clarence by Imp. Baron Surmise 45933, and so on to Imp. Columbia, by Lord Lancaster, own son of the celebrated Champion of England (17556).

VALLEY CHAMPION, was selected by us in the summer of 1890, and believed to be the best calf ever dropped in the Valley Home herd. As a calf he was never defeated in the show ring, winning first in class and sweepstakes at the Blue Grass Palace exposition, Creston, Iowa, in 1890. The same fall he was awarded a valuable silver cup at the Iowa State Fair as best bull under one year old, all beef breeds competing. In his calfhood days we were offered \$750 for him, but believing he was needed at home it was refused; and his subsequent development and remarkable success as a sire have fully borne out our anticipations as to his extraordinary worth. All in all he is regarded as the most valuable bull used in the herd since the days of Imp. Lord Glamis. He combines rich breeding with form, flesh quality and prepotency, and has the robust constitution of his dam, Caroline, who was the mother of eleven calves before she was thirteen years old.

RED ROVER, by Waterloo Duke 4th 43161 (for extension of his pedigree see below), out of 3d Lady Mason of Hildale by Royal Prince of Oxford 24736; g. d. Lady Belle by Duke of Hildale 13984; gr. g. d. Lady Paris by Sockburn Duke 9128.

WATERLOO DUKE 4th—A pure Bates Waterloo, out of the imported cow Waterloo 36th by Imp. 4th Duke of Clarence (33597), a pure Duke bull, one of the highest and best bred bulls in use, sold in England to the Bow Park Company for 2,500 guineas, and now stands at the head of their herd.

IMP. ROSE OF SHARON, bred by Thomas Bates, Kirklevington, England, Imported by the Ohio Company in 1834. She was one of the best cows ever imported to America. Her descendants have won as much or more renown than any other family of Short-Horns. Many of them have been exported to England at high prices and have given satisfaction wherever taken. From the Red Rose family that produced 2d Hubbaek (1423), and used on the Duchess, and considered by Mr. Bates to be the best bull he ever owned.

NORFOLK, a stylish, thick fleshed bull, and an excellent breeder, by Prince Royal 113305 (a son of the famous Prince Alice) out of Waterloo Duchess 9th by 31st Duke of Airdrie 50831; Waterloo Duchess 5th by 31st Duke of Airdrie 50831, etc.

VICTOR KNIGHT 110515 was bred at Linwood. He was considered by some judges to be the finest bull of his year. He was got by that very choice bull Imp. Craven Knight 69923, that was thought fit to be retained for service in the fine herd of Luther Adams, Storm Lake, Ia., who imported him. At the final dispersion of that herd he was secured for Linwood, where he was used with good results. Victor Knight's dam was 8th Linwood Victoria; she by the great Baron Victor 42824; 2d dam Victoria 53d by Imp. Viscount (35894); 3d dam Imp. Victoria 51st that proved to be one of the most valuable Cruickshank cows ever imported.

IMP. PRINCESS.—Bred by Sir H. M. Tempest, in England. Imported by Samuel M. Hopkins, Moscow, N. Y. The Princess is one of the oldest families of Shorthorns, and also one of the most distinguished in Shorthorn history. The Princess tribe is derived from a cow bred by Mr. Stephenson, of Ketton in 1739. From this cow descended the famous Foljamb (263), and also Belvedere (1706); the sire of Imp. Rose of Sharon, which was crossed upon the Duchess family, that was formed by Mr. Bates, and by the blending of Mr. C. Colling's Duchess and Mr. R. Colling's Red Rose lines that gave existence to the Duchesses as bred at Kirklevington down to the time of Mr. Bates' death, and it was the double cross of Belvedere (1706), that produced Duke of Northumberland (1940), said by different judges to be the best bull that ever lived.

ROYAL PRINCE 4TH 133019, red, 1897; bred by S. H.
